

## Cleansing of Time

Arthur Burke: Five Levels of Holiness

Interview by Dan Duvall, [www.bridemovement.com](http://www.bridemovement.com)

Today, \_\_\_\_\_, and for all the days of my life, whatever happened, whatever curses, sin, violence against me, trespasses, pain, wounding, wrong responses by others or me occurred in this time gate . . . I bring that under the cross of Christ. I ask that every curse be removed and every ungodly covenant be annulled in my life and my bloodline.

As for me and my family, regardless of what else is going on in the world around us, regardless of whatever is happening or attempting to happen in our lives . . . my/our covenant with Jesus Christ is superior, super-cedes, and is above all other covenants, whether I know about them or not.

I bow my knee to Him and Him alone and I repudiate every other ancestor from Adam down to me that has had any other god.\* My God and my relationship with Jesus Christ is SUPREME and SUPERIOR above any other agreement that any other human being ever tried to make.

I declare that Jesus, the Christ of Nazareth is my Sovereign!

This is my declaration, may it be recorded in the eternal Book of my days.

*Note:*

*\*Our freedom is dependent on repudiating all other God's but Yahweh. Exodus 20:1-3 - And God spoke all these words: "I am the LORD your God, who brought you out of Egypt, out of the land of slavery. You shall have no other gods before me.*
